

Vinny Overseas Limited is engaged in the business of manufacturing, processing and marketing of textile fabrics catering to both domestic and international markets. Established in 1992, the Company has built a strong presence in the textile industry through its focus on quality, innovation and customer satisfaction. The Company manufactures and processes a diverse range of fabrics, including denim fabrics, polyester-viscose (PV) blended fabrics, polyester-cotton (PC) blended fabrics, 100% polyester fabrics, 100% rayon fabrics and 100% cotton fabrics

The Company's manufacturing operations are supported by modern technology and quality control processes to ensure high standards of production. Vinny Overseas Limited also undertakes fabric processing activities for both export and domestic customers and serves a wide range of industries and end-use applications.

With exports to various international markets, the Company is committed to delivering value through operational excellence, innovation, sustainable business practices and continuous improvement. The Company strives to maintain long-term relationships with its customers by offering quality products and reliable services while adhering to the highest standards of corporate governance and environmental responsibility
