Voting ends in Sri Lanka presidential elections

Close contest between Wickremesinghe, Premadasa and Dissanayake

REUTERS
Colombo, September 21

SRI LANKANS VOTED on Saturday in an election to pick a president who will face the task of bolstering the country's fragile economic recovery following its worst financial crisis in decades. The election is predicted to be a close contest between President Ranil Wickremesinghe, main opposition leader Sajith Premadasa, and Marxist-leaning challenger Anura Kumara Dis-sanayake. Dissanayake narrowly led in one recent opinion poll.

People queue up to vote at a polling station in Colombo

Saturday's voting was peaceful across the South Asian island nation and queues outside booths lengthened as the day progressed, local TV channels showed. More than 13,000 polling stations were set up and 2,50,000 public officials were deployed to manage the election, the election body said.

More than 17 million of Sri Lanka's 22 million people were eligible to vote in the election, contested by 38 candidates.

At Visakha Vidyalaya, a school about 15 km from Colombo, brisk polling was seen early in the morning as families, some of them accompanying their ageing parents, lined up next to coir ropes that

created orderly lines for voters. "I think we desperately need a change and I think a lot of people feel the same way. For us to have a future, the entire country must have a future, first," said Niroshan Perera, 36, a supporter of Dissanayake.

This was Sri Lanka's first election since the economy buckled in 2022 under a severe foreign exchange shortage, leaving the country unable to pay for imports of essentials including fuel, medicine, and cooking gas.

Thousands of protesters marched in Colombo in 2022 and occupied the president's office and residence, forcing the then-President Gotabaya Rajapaksa to flee and later

resign. Buttressed by a \$2.9 billion bailout programme from the International Monetary Fund, the economy has posted a tentative recovery but the high cost of living is still a critical issue for many voters.

Although inflation cooled to 0.5% last month from a crisis high of 70%, and the economy's forecast to grow in 2024 for the first time in three years, millions remain mired in poverty and debt, with many pinning hopes of a better future on their next leader.

"This is an election that will change the history of Sri Lanka. People are voting enthusiastically," Dissanayake said after casting his vote at a temple in the outskirts of Colombo.

Qualcomm to explore friendly takeover of Intel

BLOOMBERG
September 21

QUALCOMM INC HAS approached Intel Corp to discuss a potential acquisition of the struggling chipmaker, a person with knowledge of the matter said, raising the prospect of one of the biggest-ever M&A deals.

California-based Qualcomm proposed a friendly takeover for Intel in recent days, according to the person, who asked not to be identified discussing confidential information. The approach is for all of the chipmaker, though Qualcomm hasn't ruled out buying or selling parts of Intel in a combination. It's uncertain whether the initial approach will lead to an agreement and any deal is likely to come under close antitrust scrutiny. Qualcomm has been speaking with US regulators and believes an all-American combination could allay any concerns, the person said.

Qualcomm is looking at Intel at a time when its smaller rival is in the most difficult period in its 56-year-old history. Under Chief Executive Officer Pat Gelsinger, Intel is working on a plan to reshape the company and revive its flagging share price. He still believes the turnaround plan could be sufficient to remain an independent company, the person said.

G-20 to push for global institutions reform

BLOOMBERG
September 21

GROUP OF 20 nations agreed to push for overhauls of the United Nations, the World Trade Organization, and multilateral lenders in a breakthrough following one-and-a-half months of negotiations. Group of 20 nations agreed to push for overhauls of the United Nations, the World Trade Organization, and multilateral lenders in a breakthrough following one-and-a-half months of negotiations.

For the first time, 20 largest economies formally agree to make a joint effort to modernise 80-year-old institutions

A call for reforms will be launched on Wednesday during a meeting of G-20 foreign ministers proposed by Brazil on the sidelines of UN General Assembly, according to a draft communique seen by Bloomberg News. It's the first time that the world's 20 largest economies formally agreed to make a joint effort to modernise global governance institutions that were created about 80 years ago, reflecting a post-World War II reality.

"There is a growing perception that the United Nations, the Bretton Woods Institutions, and the World Trade Organization are in urgent need of reform," reads the draft of the communique that will be released during the G-20 meeting, which for the first time will be open to all UN member states.

"It is essential that these institutions update their governance structures and practices to better represent the diversity of their membership and improve their capacity to address today's web of political,

social, and economic challenges," according to the statement. The reform of global institutions has been a long-standing battle cry for Brazil's Luiz Inacio Lula da Silva, who's presiding over the G-20 this year. The joint statement to be published under his leadership is a step in the direction of reforms, even though the nations have not agreed on a timeline for the changes to be implemented.

The three-page document details the reforms agreed on by the G-20 on three different fronts: the UN, the international financial architecture, and the multilateral trading system. Among the changes proposed to the UN are the G-20's calls for a reform of the Security Council, with an expanded composition that

improves the representation of underrepresented and unrepresented regions and groups. It also demands a more representative UN Secretariat, with transparency, equitable geographic distribution, merit, and gender balance.

On the reform of the international financial architecture, the G-20 seeks more financing for developing countries to fight poverty and tackle global challenges, including climate change.

It also calls for enhancing the representation and voice of developing countries in decision-making. Finally, the G-20 describes the WTO as "indispensable" to a well-functioning system to settle trade disputes, and calls for policies that enable trade and investment as an engine of growth and prosperity.

Call for reforms to be launched during G-20 foreign ministers meet on the sidelines of UNGA on Wednesday

Zelenskiy to pitch 'victory plan' to Biden

BLOOMBERG
September 21

VOLODYMYR ZELENSKIY SAID he'll present Ukraine's "victory plan" to President Joe Biden and both presidential hopefuls in the coming week, as well as making it public more generally to allies and others. "The Victory Plan, this bridge to strengthening Ukraine, can contribute to more productive future diplomatic meetings with Russia," Zelenskiy told reporters in a briefing on Friday. "Russia should see it." The broad contours of the proposal include ensuring Ukraine's place in the global "security architecture," boosting its weapons capabilities, and economic development, Zelenskiy said.

Ukraine's leader is expected to travel to the UN General Assembly in New York, with the nation's speaking slot in the general debate set for Wednesday, and from there to Washington to meet with Biden. He's also expected to hold talks with Vice President Kamala Harris, the Democratic candidate for president, Republican presidential candidate Donald Trump, and key members of Congress.

Ukraine's incursion into Kursk, the first foreign military offensive inside Russia since World War II, also plays a role in the plan that Zelenskiy didn't elaborate on.

OKTOBERFEST CELEBRATIONS

Revellers in Germany's Munich celebrate the 189th edition of the annual beer festival, Oktoberfest, on Saturday. The fiesta, which is also the world's largest folk festival, sees thousands of beer lovers celebrate and clink their mugs. With an opening parade held Saturday morning, the festival will go on till October 6

Talk green with 'dead tree' emoji

BLOOMBERG
September 21

AVID TEXTERS WILL soon have a new way to talk about the growing impacts of climate change — an emoji depicting a tree without leaves.

Approval of the emoji was revealed in an update earlier this year from the Unicode Consortium. The leafless tree — also known as the "dead tree" or "dying tree" emoji — was first pitched in 2022 by Brian Baihaki, who saw a gap in messaging graphics that touch on environmentalism.

"Drought is a natural part of the climate cycle... but the climate is changing [and] drought [is becoming] more frequent, severe, and even [spreading] to other places," Baihaki noted.

"Eventually, all the resources that the trees have will be exhausted."

Since Baihaki submitted his pitch, the threat of drought has only grown globally. This year alone, drought has affected trade on the Mississippi River and in the Panama Canal, crops in Brazil, reservoir levels in Spain, and tourism in Mexico, among other impacts. A recent United Nations report noted that drought conditions are expected to worsen throughout the 21st century — even if there are reductions in greenhouse gas emissions.

"That something from 2022... is still relevant today actually speaks to the long-standing relevancy of the concept," says Jennifer Daniel, chair of the emoji subcommittee at the Unicode Consortium. "Because two years in digital space might as well be 200 years." Emoji may not be high on the list of tools needed to combat the impacts of climate change, but the dead tree reflects people's need to communicate about those impacts, says Scott Varda, an associate professor of communication at Baylor University.

AI helping shape 2024 US presidential polls

ASSOCIATED PRESS
Washington, September 21

WITH THE 2024 election looming, the first since the mass popularisation of generative artificial intelligence, experts feared the worst: social media flooded with AI-generated deepfakes that were so realistic, baffled voters wouldn't know what to believe. So far, that hasn't happened. Instead, what voters are seeing is far more absurd: A video of former President Donald Trump riding a cat while wielding an assault rifle. A mustachioed Vice President Kamala Harris dressed in communist attire. Trump and Harris sharing a passionate embrace.

Fake AI-generated images regularly ricochet online

naïve viewer couldn't take them seriously. Still, even these memes can be problematic. Eye-catching AI-generated photos and videos, some striving to be funny, have become useful tools for spreading false, sometimes racist messages with a clear political bent — and candidates and their supporters are among those sharing them on social media. For example, Trump and many of his allies not only repeatedly promoted the unfounded conspiracy theory

that Haitian migrants are stealing and eating cats and dogs in Springfield, Ohio, they also spread related AI-generated memes. Francesca Tripodi, an expert in online propaganda, said such AI-made images are new, viral vehicles carry-age-old anti-immigration narratives. "The memes that are amplifying this claim are anything but humorous."

When you have elected officials who are utilising this imagery as a way of perpetuat-

ing racism and xenophobia, that's a huge problem," said Tripodi, a sociologist at the University of North Carolina at Chapel Hill. Republicans defend the images as lighthearted jokes — and byproducts of Trump's personality. "There is a culture of personality surrounding Donald Trump that encourages that sort of over-the-top communication style that turns things into comical memes," said Caleb Smith, a Republican strategist. "The intent is to entertain, not to deceive. That is what it should be."

Not just Trump supporters
Trump and his supporters aren't the only ones creating AI memes, but they appear to be using AI image generators more than their Democratic counterparts. Some left-leaning users have posted AI images making fun of billionaire Elon Musk, the owner of X and an outspoken supporter of Trump's campaign. Democrats also posted AI-generated images of Trump in handcuffs and being chased by

police when he was in court in Manhattan last year.

But Kamala Harris' campaign has not leaned into amplifying AI-generated content, sticking instead to TikTok trends and other memes that don't require AI models to create. "Currently, the only authorised campaign use of generative AI is for productivity tools, such as data analysis and industry-standard coding assistance," said Harris campaign spokesperson Mia Ehrenberg. Trump campaign spokesman Steven Cheung did not respond to specific questions from The Associated Press but said its strategy had not changed since May, when he provided an emailed statement saying the campaign did not "engage or utilise" tools supplied by any AI company. Using fake, entertaining, often preposterous images to score political points is hardly new. But unlike cobbled-together Photoshop images or political cartoons, AI-generated images pack a stronger punch.

जर्मन चांसलर ओलाफ शोलज की यात्रा से पहले

भारत, जर्मनी ने स्वच्छ ऊर्जा, गतिशीलता क्षेत्रों में सहयोग बढ़ाने का फैसला किया

नई दिल्ली, 21 सितंबर (भाषा)।

जर्मन चांसलर ओलाफ शोलज की भारत यात्रा से पहले नई दिल्ली और बर्लिन ने नवीकरणीय ऊर्जा, शहरी विकास, कृषि पारिस्थितिकी और गतिशीलता के क्षेत्रों में सहयोग बढ़ाने का निर्णय लिया है। जर्मन अधिकारियों ने शनिवार को कहा कि भारत के आर्थिक मामलों के विभाग और जर्मनी के संघीय आर्थिक सहयोग और विकास मंत्रालय के नेतृत्व में विकास नीति वार्ता में इन प्रमुख क्षेत्रों में सहयोग बढ़ाने पर चर्चा हुई। उन्होंने कहा कि दोनों पक्ष आने वाले वर्षों में नवीकरणीय ऊर्जा, शहरी विकास, गतिशीलता और कृषि पारिस्थितिकी के क्षेत्रों में सहयोग जारी रखने पर सहमत हुए हैं।

भारत-जर्मनी सहयोग रणनीतिक रूप से 'हरित और सतत विकास के लिए साझेदारी' पर आधारित है, जिसे 2022 में प्रधानमंत्री नरेंद्र मोदी और शोलज के बीच वार्ता के बाद लागू किया गया था। जर्मन चांसलर अगले महीने भारत आने वाले हैं। वार्ता में जर्मन प्रतिनिधिमंडल की प्रमुख

व्यापार समझौते को उन्नत करने, निवेश को बढ़ावा देने पर चर्चा की

भारत और दक्षिण कोरिया ने शनिवार को मौजूदा मुक्त व्यापार समझौते (एफटीए) को उन्नत करने, आपसी वाणिज्य को सुलभ करने और दोनों देशों के बीच निवेश को बढ़ावा देने पर चर्चा की। वाणिज्य एवं उद्योग मंत्री पीयूष गोयल और उनके कोरियाई समकक्ष इंकयो वियोंग के बीच लाओस में हुई बैठक के दौरान इन मुद्दों पर चर्चा की गई। गोयल ने सोशल मीडिया में हार्वेक्स पर पोस्ट किया, ह्यअधिक सुलभ व्यापार के लिए भारत-कोरिया व्यापक आर्थिक भागीदारी समझौते (सीईपीए) को उन्नत करने, रोजगार सृजन से जुड़े निवेश को बढ़ावा देने और हमारे आर्थिक संबंधों को और मजबूत करने के लिए गैर-शुल्क बाधाओं को दूर करने पर विचार-विमर्श किया गया ह्यदोनों देश सीईपीए को उन्नत करने के लिए समीक्षा बैठक कर रहे हैं, जिसे जनवरी 2010 में क्रियान्वित किया गया था। अब तक समीक्षा वार्ता के 10 से अधिक दौर आयोजित हो चुके हैं। दोनों देशों ने कुछ उत्पादों के लिए अधिक बाजार पहुंच की मांग की है जो समझौते की नकारात्मक सूची में शामिल हैं।

बारबरा शेफर ने कहा, 'जर्मनी और भारत के बीच दीर्घकालिक, भरोसेमंद और रणनीतिक साझेदारी है।' उन्होंने कहा कि इस साल अपनी प्रतिबद्धताओं के साथ,

जर्मनी ने यह स्पष्ट कर दिया है कि वह अपने अंतरराष्ट्रीय दायित्वों को मजबूती से पूरा करता है। इसकी तैयारियां जोरों पर चल रही हैं।

बीस लाख नौकरियां पैदा करना सरकार का एजंडा : लोकेश

विजयवाड़ा, 21 सितंबर (भाषा)।

आंध्र प्रदेश के सूचना प्रौद्योगिकी मंत्री नारा लोकेश ने शनिवार को कहा कि राज्य में तेलुगु देसम पार्टी (तेदेपा) नीत राष्ट्रीय जनतांत्रिक गठबंधन (राजग) सरकार का इकलौता एजंडा 20 लाख नौकरियां सृजित करना है। राजग को राज्य में इस साल हुए विधानसभा चुनाव में 93 फीसद सीट के साथ भारी जनतादेश मिला है।

'सीआइआइ सदरन रीजनल कार्डिसिल' 2024-25 के विशेष पूर्ण सत्र को संबोधित करते हुए उन्होंने कहा कि पांच साल में 20 लाख नौकरियां पैदा करना चुनावों में राजग द्वारा किए गए छह प्रारंभिक वादों में से एक था।

लोकेश ने कहा कि यह इकलौता एजंडा (20 लाख नौकरियां) है जिसके साथ आपकी सरकार आंध्र प्रदेश राज्य में काम करने जा रही है। उन्होंने कहा कि दक्षिणी राज्य एक लाख करोड़ डॉलर का सकल राज्य घरेलू उत्पाद हासिल करने वाले पहले तीन राज्यों में से एक बनने की आकांक्षा रखता है।

'सीआइआइ सदरन रीजनल कार्डिसिल' 2024-25 के विशेष पूर्ण सत्र को संबोधित करते हुए मंत्री ने कहा कि पांच साल में रोजगार पैदा करना शासन का लक्ष्य है।

लोकेश ने कहा कि सीआइआइ ने हमेशा एक सहयोगी भूमिका निभाई है। उन्होंने कहा कि कृषि, सूक्ष्म, लघु एवं मध्यम उद्योग तथा अन्य क्षेत्रों के लिए एक हब रहे आंध्र प्रदेश का उद्देश्य अब सूचना प्रौद्योगिकी में तेजी से आगे बढ़ना है। वार्ड एस जनमोहन रेड्डी नीत वार्डएसआर कांग्रेस पार्टी की सरकार के स्पष्ट संदर्भ में तेदेपा महासचिव ने कहा कि पिछले पांच वर्ष उद्योग के लिए अच्छे नहीं रहे और उन्होंने संकल्प जताया कि सरकार विश्वास वापस दिलाने के लिए काम करेगी।

उन्होंने कहा कि सरकार के कामकाज से जनता बहुत खुश है। प्रदेश के युवाओं और बेरोजगारों के हित में सरकार लगातार काम कर रही है।

पूर्वांतर सीमांत रेलवे के तहत नॉन-इंटरलॉकिंग कार्य के लिए ट्रेनों का मार्ग परिवर्तन

Pallvi Sharma
Company Secretary and Compliance Officer

Place: Delhi
Date: September 21, 2024

Envirotech Systems Limited is proposing, subject to applicable statutory and regulatory requirements, receipt of requisite approvals, market conditions and other considerations, to undertake an initial public offering of its Equity Shares and has filed the Prospectus with Registrar of Companies, Delhi on September 20, 2024. BRLMs to the Issue at www.shareindia.com, website of company at www.envirotechltd.com and websites of NSE Limited i.e. www.nseindia.com respectively. Investors should note that investment in equity shares involves a high degree of risk and for details relating to the same, see section titled "Risk Factors" beginning on page 22 of the Prospectus. Potential investors should not rely on the Prospectus for making any investment decision.

The Equity Shares offered in the Issue have not been and will not be registered under the U.S. Securities Act of 1933, as amended (the "Securities Act") or any state securities laws in the United States, and unless so registered, may not be offered or sold within the United States except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act and any applicable U.S. state securities laws. There will be no public offering in the United States and the securities being offered in this announcement are not being offered or sold in the United States.

This is only an advertisement for information purposes and not for publication, distribution, or release directly or indirectly outside India. This is not an announcement for the offer document. All capitalized terms used and not defined herein shall have the meaning assigned to them in the letter of offer dated August 8, 2024 (the "Letter of Offer") filed with the Stock Exchange, namely BSE Limited ("BSE") and National Stock Exchange Limited ("NSE"), where presently the Equity Shares of the Company are listed, and the Securities and Exchange Board of India ("SEBI").

Assuming full subscription with respect to Rights Equity Shares

This Public Announcement is made in compliance with the provisions of Regulation 72 (2) of the Securities and Exchange Board of India (Issue of Capital & Disclosure Requirements) Regulations, 2018 (the "SEBI ICR Regulations"), to inform the public that our Company is proposing, subject to applicable statutory and regulatory requirements, receipt of requisite approvals, market conditions and other considerations, an issue of Equity Shares to its equity shareholders on rights basis and has filed a Draft Letter of Offer ("DLOF") dated 20th September, 2024 with BSE Limited ("Designated Stock Exchange"/ "BSE"). Since the size of the Rights Issue is less than ₹ 50.00 Crores (Rupees Fifty Crores only), the DLOF has not been filed with the Securities and Exchange Board of India ("SEBI") nor SEBI shall issue any observation on the DLOF. The DLOF is available on the Website of BSE at www.bseindia.com, and the Website of our Company at www.jonjua.com.

Investment in equity and equity-related securities involves a degree of risk and investors should not invest any funds in this offer unless they can afford to take the risk with such investment. Investors are advised to read the Risk Factors carefully before taking an investment decision in this offering. For taking an investment decision, investors shall rely on their own examination of the issuer and the offer including the risks involved. The Right Equity Shares being offered in this issue have not been recommended or approved by the SEBI nor does SEBI guarantee the accuracy or adequacy of the Offer Document.

Investors are advised to refer to the "Risk Factors" beginning on page 17 of the Draft Letter of Offer before making an investment in the Issue.
